Summary:

Motivated and detail-oriented Junior Web Developer with 2 years of experience in web development. Proficient in building responsive and dynamic web applications using React.js, JavaScript, HTML, and CSS. Skilled in translating UI/UX designs into functional components, integrating APIs, and writing clean, maintainable code. Passionate about learning new technologies and contributing to impactful development projects.

Education:

- Bachelors of Technology (B.Tech) 08/2019 - 05/2023, Ratlam (M.p)
Shri Yogendra Sagar Institute (RGPV)
Information Technology
- Higher Secondary (12th) 04/2018 - 03/2019, Ratlam (M.p)
Samta Shiksha Niketan, Ratlam (CBSE)
- Secondary (10th) 04/2016 - 03/2017, Ratlam (M.p)
Samta Shiksha Niketan, Ratlam (CBSE)

Experience:

- Junior Web Developer 05/2024 – Present, Indore (M.p)
FXBytes Technologies Pvt. Ltd.
Full-time | Onsite

At FXBytes, contributed as a Junior React Developer by building responsive, user-centric web applications. Collaborated with cross-functional teams to translate designs into functional UI, optimized performance, ensured clean code practices, and implemented reusable components. Actively participated in code reviews and continuously enhanced skills to deliver high-quality, scalable frontend solutions.

- Wordpress Developer 01/2023 - 01/2024, Indore (M.p)
SG Gurukul
Full-time | Onsite

Assisted in designing and developing responsive WordPress websites using Elementor. Managed website content, optimized loading speed, and ensured mobile compatibility. Performed routine backups, fixed technical issues, and maintained site security—gaining practical experience in delivering user-friendly and visually appealing websites tailored to client requirements.

Skills:

- Programming Languages: Basic C, C++
- Web Technologies: HTML5, CSS, Bootstrap, Tailwind CSS, JavaScript, React.js, TypeScript, Next.js, Redux, Material-Ui
- Tools: Git, GitHub, Jira

Projects:

- GB Marketing

Company: FXBytes Technologies

1. Developed the frontend using Next.js, ensuring a dynamic, fast, and SEO-friendly interface.
2. Designed responsive UI components for campaign creation, ad group management, and analytics dashboard using modern CSS and React best practices.
3. Integrated Creatify AI APIs to allow users to customize Virtual Influencers (appearance & scripts) and preview promotional video outputs.
4. Developed a multi-step form wizard for campaign and ad group setup with real-time validation and contextual UI feedback.
5. Implemented OAuth-based social media login flows (Google, Facebook, Twitter, TikTok, YouTube) using secure client-side integration.
6. Integrated Twilio messaging UI to enable AI-generated message previews for WhatsApp and SMS delivery.
7. Worked closely with the backend team to consume REST APIs and event-driven updates, ensuring real-time data sync.
8. Used TypeScript for type safety and Axios/React Query for efficient API interaction and state management.

- Pawfect Accommodation

Company: FXBytes Technologies

1. Built the frontend in Next.js to deliver a performant, SEO-optimized booking platform for pet-friendly accommodations.
2. Designed and implemented responsive UI components for listing properties, availability search, and booking workflows.
3. Integrated interactive search filters (location, dates, pet type, property type) with real-time results and smooth UX.
4. Developed property listing cards and details pages with image carousels, maps, amenities, and owner/pet info.
5. Implemented user authentication flows for pet owners and property managers using secure form validations and token handling.
6. Built property management dashboard for hosts to add/edit listings, manage bookings, and view analytics.
7. Integrated calendar availability and booking modules with dynamic date selection and availability syncing.
8. Ensured cross-device compatibility and followed mobile-first design, enhancing usability on phones and tablets. Focused on clean, accessible UI.

Declaration:

I hereby declare that the information provided in this resume is true and accurate to the best of my knowledge.
